IT’S WAKE-UP TIME!

NEW! MARY KAY® HYDROGEL EYE PATCHES,
$40, pk./30 pairs

The pink pick-me-up patches deliver a refreshing burst of hydration to the eyes! At home. In a hotel. Or anywhere you want to pamper yourself.

Inspired by K-Beauty technology, these shimmering patches snugly adhere to the skin and stay in place. Whether you’re lounging around or prepping for a night on the town, the undereye area will absorb all of the benefits.

• Instantly reviving.
• Instantly cooling and soothing.
• Clinically shown* to instantly boost skin hydration.
• Helps with the look of puffiness and dullness.

HOW TO USE

1. Apply an eye patch under each eye with the larger end of the patch toward the outer eye.
3. Gently massage any remaining gel into your skin. Follow with your skin care routine, including your favorite Mary Kay® eye cream.
4. Discard the used eye patches. Do not reuse.
